MEMORANDUM FOR: Legislative Counsel

SUBJECT: H. R. 6115, A Bill to Improve Legal Services in the Executive Branch of the Government by Establishing Certain Offices Within the Department of Justice and Defining the Functions Thereof, Creating a Legal Career Service, etc.

1. Subject bill has been reviewed in order to determine whether it is of interest to CIA activities and whether further action by your Office is necessary.

2. Although this Office does not perceive any objections to the bill, it is noted that security considerations would make it very difficult for Agency positions to be distinguished and administered as attorney positions, within an established legal career service, as outlined in H. R. 6115.
